

OUR CAUSE

Thanks to the generosity of our **Strong Kids+ Campaign** donors, every qualified individual and family in need has access to vital YMCA programs and services.

Approximately 85% of financial assistance awards enable children to attend early learning, school age and summer camp programs while approximately 15% supports membership and other program participation.

Various programs for youth, teens, seniors, and those with special needs or health conditions are subsidized to ensure they are available for all.

The Westfield Area YMCA has strengthened the communities of Cranford, Garwood, Mountainside and Westfield since 1923.
