Meet the Director!

Hey everyone! My name is Rob Tunnell and I will be directing Blue Sky this summer! I have worked at the Y for many years, including fourteen summers of camp, as well as working in the SACC department. During the school year, I am a 5th grade teacher at Livingston Avenue School in Cranford. In my spare time I love hanging out with friends, playing board and card games, and spending time with my family.

THE STAFF ARE EXCITED!

My staff and I cannot wait to lead your child through a journey of fun and safe camp adventures! I hope you're ready to make unforgettable camp memories with new friends, fun games, awesome activities, and camp spirit.
