Meet the Staff!

My name is Ashley Samsel and I will be your Director for the 2026 Summer Camp Season! I have been with the Westfield Y for the past four years, working Summer Camp, Aftercare, and the Warriors Basketball Program. I am currently a student at Kean University going for my Bachelor's Degree in Physical Education and Health. Some of my hobbies include playing basketball, going to the New Jersey Devils Hockey Games, and reading. We are all very excited and look forward to an incredible summer!

Your child will start their day with us and we will transport them, accompanied by a counselor, to their afternoon camp session. For Hands on Art and Young Scientists, they will be transported by bus and for MLC STEAM they will walk to another room in the Main Y. You will receive separate newsletters and emails from these camps with their information.

Phone Number: (908)966-5601 during the camp day
